

FIND YOUR WATER UTILIZATION

HOW TO LOOK UP YOUR QUARTERLY WATER UTILIZATION

1. Open your web browser and in the address bar, enter www.stlwater.com/usage_search.php
2. Hit Enter to be taken directly to the Billing Address search page:

3. Search for your billing address by entering the address number in the Number field and the street name in the Street Name field and clicking the Search button:

4. In Found Billing Addresses, click the link next to your billing address to be taken to the Utilization page.

5. The Utilization page shows the total water consumption charged to this address on each bill for the past 3 years. The Bill Date column shows the date of each water bill, the Total Charged Consumption column shows the total usage on that bill measured in Hundrī Cubic Feet (CCF), and the For Period Ending column notes the end of the billed period.
